

Community Health Worker (CHW) Training

WHAT

Mid Michigan College is partnering with Everyday Life Consulting LLC to provide the **Michigan Community Health Worker Alliance (MiCHWA)** standardized curriculum and training program for the State of Michigan. Upon completion, the student receives a certificate from Mid and MiCHWA and is MiCHWA-Certified.

Competencies covered include

- Advocacy and Outreach
- Community and Personal Strategies
- Legal and Ethical Responsibilities
- Teaching and Capacity-building
- Communication Skills and Cultural Competencies
- Coordination, Documentation, and Reporting
- Healthy Lifestyles
- Mental Health

To obtain the certificate, all training must be completed with an 80% passing grade for each competency. Time outside of class for homework assignments is approximately 2 hours per week. Total course hours 126 (plus 40 Internship hours if not currently employed as a CHW).

WHO SHOULD ATTEND

New and current CHW's that have not received a certificate. **Space is limited to 25 participants.**

TRAINING PRE-REQUISITES

- High School Diploma or GED
- Good oral and written communication skills
- Basic computer skills

If not currently working as a CHW or in a CHW-related role

- Interview with the instructor
- Independent work in a community setting
